“ To the man who beat me almost daily when we were married, good riddance!! You only left lies and destruction in your wake!! Also lying to me and your child about how many half siblings she has her whole life makes you an ever bigger piece of crap than I even thought you were! This little fairytale your current wife is trying to portray of you is complete BS! Every woman I've talked to that has been with you has the same story of how you beat them like you beat me! The world is better without you in it!! Good riddance to you! The only good thing I ever got from you was my child. Now we are left to find the rest of the kids that you have scattered all over the US.

Christy - June 19, 2018 at 07:47 PM

“ Don't listen this woman lies please this man is kindest and gentle lovable person she is disrespectful to this man when she married to him disregard what she said or says this man this is disrespectful!! Do not listen lies !! She is never treated this man with respect and never rest in peace !! Stop disrespect him now this is his wife who only care about him and loves him very much!!

Dawn Hall - June 21, 2018 at 03:48 PM

“ Christy, I am sorry that you chose to use this forum to spew your venomous hateful rhetoric.

Clay Hall was a GENTLEMAN. He was a loving husband to our daughter and a sweet son in law to us.

As the family who cared for and loved him while he was on God's Earth, we pray for his soul. We pray that Clay may rest in peace. We pray for his family, who loved and who miss him dearly. And we pray for despicable, uncouth, intensely hostile sinners like you that apparently need prayers also.

Sincerely,

Mr. & Mrs. T. McKillip

Marylouise McKillip - June 21, 2018 at 05:37 PM

“ So you call me a sinner when this man beat me and cheated on me the whole time we were married?? I have letters he sent me and my daughter where he was begging forgiveness for beating and cheating on me. You even apologized to me on that video call right after he died and you said he was sorry for doing it. That “loving man” as you called him was texting me after he married you saying how he wished I would take him back so he could come back to Alabama and be with the only woman he ever loved. That the man you were married to. Apparently you're a liar just like him, cause you are changing things you said on that video call. I guess you 2 were made for each other, both liars!! This man left children all over the place and never paid a dime to help raise them. He abused their parents as well, and from what we learned recently after finding one of those kids, he abused that kid as well. So keep on calling us sinners while the gentleman & loving husband you call him rots in hell where he belongs!! We all know the truth and have the proof. The only lies are the ones your daughter is telling now. She is changing the story she talked to me about on our video call.

Christy - June 21, 2018 at 08:02 PM

“ I don't believe anything you say about clay because i heard total opposite story and i love the man who love caring and kind and sweet and never beat me and but sorry you feel bitter about him that your opinion of your mind-set ! God bless you and your family! Keep

positive attitude about clay i love him for good times not bad times please make bad comments about him makes me upset big time and respect our family during this time don't make fun of me either please!!

Dawn Hall - June 22, 2018 at 01:16 PM

“ Dawn, your relationship with Clay and your memories are yours and NO ONE can take your feelings and memories away from you.

You can continue to cherish Clay and that's your right to do so.

You were not in Clays past so you can't speak to his prior life. You can only attest to your time together.

Whatever went on in his past should be left there. The people from before your time have their own feelings and memories and they are as entitled to them as you are to yours.

Everyone grieves differently Dawn. Choose to let Clay rest in peace and let everyone else have their say. Their feelings shouldn't be discounted. Just do not answer the calls and video chats so you don't upset yourself.

Marylouise McKillip - June 22, 2018 at 02:42 PM

“ Thank you Marylouise!

The reason I got so mad and wrote all of this is because of what Dawn & I talked about that whole long video call. She said she knew Clay had been an abusive man and everything else he put me through. She had to see what all he was doing behind her back etc... since she took control off his old Facebook pages and stuff, yet she was putting this fairytale out in public for people to see. She's the only ex/current partner of his to ever say he was an amazing man. I tried my best to make it work with Clay, took him back several times after being abused and cheated on. He only used me, my family and my friends to try to further himself. I've talked to many after me and he didn't change his ways. That's why I find it hard to believe he did with Dawn. He probably never let you see the real him, he was a master manipulator at putting on the "good son in law" act when he needed to. That's how he was able to scam and take advantage of so many people. Believe me, I've heard all the stories from his victims he left in his wake. I also heard from people, even the ones he knew after coming out of prison who were amazed to learn that me and our daughter was still alive. Clay had been telling everyone that we had been killed in the big tornado here in Alabama and was milking it for sympathy. I talked to many women he had on his Facebook page who told me this story, and yes this was even after he married Dawn.

Dawn also told me she and Clay didn't have any kids together because she couldn't, that she had a son from a previous relationship, then she proceeded to tell Cody last night that she had a kid with Clay and that he was Cody & Lyne's half brother. She told me she had only known Clay for 6 years, how is that possible?? Me, Cody's mom Kelly and my daughter have no reason to lie about anything. We loved through all this.

We are only trying to piece together things and find their other siblings and family. My daughter even did an AncestryDNA test. She's matched to some people from Clay's side and we are in the process of getting in touch now. I only wonder now what they have to say. Clay always said they were horrible people and they all hated each other, from what we've seen now that wasn't true.

I send you positive energy and wish you well. I can only hope Dawn will actually just accept things as they were. Don't try to lie and cover up things that you know are true.

Christy - June 22, 2018 at 03:50 PM

“ Please dont upset me no more too much and too much about the past and the man resting in peace with God let things go! Please no more about past things!! I and my tried of it please let grived at this time about clay!!! We miss clay and let cherish him please!!

Dawn Hall - June 22, 2018 at 07:28 PM

“ I'm not trying to upset you Dawn, I just need you to stop lying to everyone. We have caught you in so many lies. We have what you said when YOU CALLED US, or when YOU MESSAGED US (not the other way around). Remember that, you were the one contacting us not we contacting you. I saved your messages. I have saved letters, messages & texts from Clay as well as messages from other women he was talking to as well. I honestly don't really understand what you're saying above because it makes no sense. Do you proofread anything you post? Just seriously, quit lying to me, Lyne and Cody. It's not fair to do that to these kids, they don't deserve that. They were left by their sperm donor who didn't want to be a father. They don't need you lying to them about things. They both compared notes on what you told them both and Dawn, you've told some whoppers! Do you forget what you say? Just be honest from now on. You told me and Lyne that you didn't know any of Clay's Family, yet you have his sister on your Facebook page. Her daughter is the one Lyne matched DNA with on AncestryDNA. You said to me & I have that conversation saved, that you had only 1 kid from a previous marriage and none with Clay because you couldn't anymore, yet you tell Cody that your son is Clay's kid and that he's Lyne's and Cody's half brother, another lie. I can go on & on. I actually felt sorry for you as did Cody & Lyne. We don't now cause we are starting to realize that you're just as big of a liar as he was. I guess you learned from the master.

Christy - June 23, 2018 at 07:41 AM

“ I am not liar but my husband clay ever lie to you he always to told you and his family the truth about everything dont put that man down and me down either because that man can't defend himself right now what you and your family say about me and him i love him and he love me very much six years of his life!! Please respect him dont nick pick him in my presence! It would hurt his true family that love and respect him for him and me !!

Dawn Hall - June 23, 2018 at 03:44 PM

“ Dawn I have your own words showing you lied. Would you like me to post them somewhere so people can see? If you're so sensitive about it, you should of never lied! I'm done with you. You can't seem to tell the truth and well you know how we all felt about Clay. Have a nice life and why don't you just stay away from me, my daughter, Cody and his Mom. I look at my time with Clay as hell on earth & the only thing good that came out of it was my daughter. Too bad he missed out on being a Dad to her because she's a great kid. It's his loss!! BYE!

Christy - June 23, 2018 at 04:28 PM

Felicity Martin - October 09, 2018 at 07:38 PM

“ Hey Dawn, you know this notifies me every time someone signs this. I can tell you are this Felicity, you literally write the same way. It's a mixture of confusion & jumbled words that are out of order and phrases that make no sense. You did the same thing when you were messaging me in Facebook under different accounts while threatening me, you thought I would be dumb enough to not realize it, but sweetie it's easy to see it's all coming from the same person. You have the same writing style on everything you do. I know you added this to make Clay seem like a “better” or “good” person, but you and your family are the only ones who think that. None of his friends or family in Alabama or even the ones in Philly that knew Cody and his mother think he was a good person. Hell even the ones in Georgia & Tennessee think he's a horrible person. I was done with this and you, but after continuously getting notifications from this site of you & you only going on and on about what a Saint Clay was, it was getting ridiculous. Do like you did when you video called me after he died and accept what he was. I still don't understand why you were so kind to me that night and how you apologized and agreed with me on everything. I even sat there with you and cried because I was so mad I'd never get to say all of it to his face and have him apologize to me face to face instead of just in letters or over the phone. I wanted for once for him to actually do something for his daughter other than lie or break promises. So yes I cried because of that. Just please stop with the lies and games. Cody and his mom have moved to Alabama now too. We've all moved on, you're the only one who hasn't.
So again, I'm done with this. You can continue on and post under your name or made up ones like above. Any one that reads your posts and that one by “Felicity” will see it's you, well because you write the exact same. If you're going to try to do something like that, have someone else really do it so it's a different style than yours. I mean it sounds weird this chick saying he was with her sister in law, but she was “with him for one night” gross! She slept with him and he was with her sister in law too? Like WTF?? Who would be proud and write that in an obituary???

Oh well, have a nice life and hopefully you find someone else so you'll quit just pining away for Clay. Adios Dawn (Felicity).

“ I knew my husband six years and was almost six years on our anniversary but he was gentle kindest man in my life i love that part of him because he was angel and sweet doing anything for anyone but i love him so much! Sorry talk too much about him i love so much and miss him so much too!!

Dawn Hall - June 13, 2018 at 05:08 PM

“ This is hilarious!! Kind my A\$\$!!
He was a liar, a cheater, a scammer & a physical abuser of women. The man who you say was such a good man was still coming on to me behind your back. You must be extremely naïve or lying to yourself to believe anything that came out of his lying mouth. If you truly believed him, I got some swamp land in Florida I can sell you!!

Christy - June 19, 2018 at 07:52 PM

“ You are shameful to speak ill of the deceased.
You are delusional to entertain the thought of his being unfaithful and your comments are unkind and do not belong here or anywhere else for that matter.
Our daughter lost her husband. The man she cherished. You lost no one!

Marylouise McKillip - June 21, 2018 at 07:12 PM

“ I was legally married to that so called man too and had a child with him. He chose to beat me and cheat on me. He was still contacting me while he was married to Dawn. He was never faithful to anyone. Y'all are living in a fairytale world. Your daughter spent almost an hour on a video chat with me and totally apologized to me for how he treated me and agreed he did this all. Now all of a sudden she's changing her tune. I don't know why you are refusing to believe what this man really was. I mean he was in prison for being violent, hello??? You can believe what you want, but we all have proof of who he was. I can only hope my daughter can't find the rest of her half siblings he sprinkled across the globe.

Christy - June 21, 2018 at 08:12 PM

“ My husband was sweetest man in my life and i am glad was my husband because we were married long time and know each other same amount of time but i will always love and treasure our love for one another forever!
