“ We love you Jeff. You were part of our family, and we shared good and bad times together. Thank you for being there for Jessie and helping her so much. Nathan loved you, and you were so good with him.  
I wish we could have done more to help you. Tell my Mom and Dad that we all miss and love them. We will see you and them soon.

“ I love you Jeff...all our memories...all the times you had my back...all the times you saved me from losing myself.... I will never forget you. Your heart was GOLD. I give no words to your demons...they don't deserve. God needed you more than we did. Nathan loves you... Kylan misses his uncle Jeff terribly... I wish I could go back to sept 4th when we talked... I wish you would have messaged me back.. I would have come and got you. I love you so much. My heart will forever be broken but I will always hold you in it. Please watch over me. You one of the only people that truly loved me  
God bless you my best friend... I'll see you when I get there

“ Dear Jeffrey.

You are loved and missed. I will never forget how you "fixed" granny's lawnmower that she picked up out of that trash with the big hole. I can still see that license plate covering the entire hole and it worked for a long time afterwards. Love you, always.  
Aunt Kim
