“ If roses grow in heaven lord ,please pick a bunch for me. Place them in my sister's kia arms and tell her they're from Tasha .tell her i love and miss her. And when she turns to smile ,place a big kiss on her cheek and hold her for awhile,because remembering her is easy .An angel came and took you by the hand and said your place was ready in heaven,far above ...and you had to leave those behind you love dearly.you had so much to live for and so much to do.it still seems impossible that god was taking you. And though your life on earth is past ,in heaven it starts anew .you'll live for all your eternity,just as god has promised you and though you've walked through heaven's gate.we are never far apart and just know you always live in my heart. I ll never forget the talks and laugh we had and i m going to miss those funny texts and calls while you at work .Until we meet again sis fly high fly high. we loves you but god loved you best. I am praying for Dee your wife and family. Asking god to cover her and wrap her arms around you.lord give her the strength .Love your big sister Tasha

We laugh and laugh about all kinds of things .I was bless to have you in my life ,although I didn't know you was sick at all .When i heard you left to be with the almighty god ,my heart was split into two, but i know you are not suffering no more .Sis until we meet again ,i ll be waiting for our date out .love you sister
