

Nicole Lee Kruger

June 5, 2019

Nicole Lee (Fenescey) Kruger, 33, passed away suddenly on June 5th, 2019. Born in Scranton, PA, she was the daughter of Judith Ann Lees. "Nikki" moved to Delaware in her early years where she met her husband and soulmate, William Kruger. Together, they raised two beautiful children, Paige and Hope.

Nikki's "Girls" were her entire world. Her kindred heart and the love for her family was large beyond measure. The only thing that ran deeper was her passionate spirit.

She lived her life wearing her heart on her sleeve, and her selfless acts of compassion and kindness were immense. No matter what kind of people she encountered, she always managed to put aside character flaws and discover their best qualities. When she would find someone in their darkest moments, she would become their beacon of light. She would carry the weight of the world upon her shoulders just to see you smile. Her life made a positive impact on this cold and callous world we live in, although her humbleness and radiant personality would tend to disagree.

In addition to her husband and two children, she is survived by her two brothers Daniel, and his wife Vicki, Jason, and his wife Beth, also her sister Jaclyn Fenescey. She also is survived by her Aunt Lisa (Lees) Roberts, several nieces, nephews, cousins and friends. She was preceded in death by her maternal grandfather, Arthur Lees.

A Celebration of Life will be held privately at the family's earliest convenience.

The family would like to thank everyone for their condolences and understanding during this difficult time.

“ Here we are my girl, almost 2 years since you've been gone. I've still got this giant hole inside me where you used to be. I miss you so much baby. I take comfort knowing that when it's my time to go it'll be you that will take my hand & lead me home. Until that day comes I'll continue to miss you. I speak your name everyday, I talk to you everyday, I sure hope you can hear me. I'll always love you forever & a day.

“ Nikki, you were my youngest child & always will be my baby. You always had my back & for that I'm grateful. You were the strongest person I've ever had the fortune of knowing & I'm so proud to be able to call myself your Mother. Always in my heart, always loved, & forever missed.
