

Patricia Maier

November 15, 1945 - January 16, 2021

Patricia Lee Maier (Pace) also known as Peppermint Patty & Patsy, burnt rubber on her scooter for her final road trip along the highway to heaven on 1/16/2021.

Patricia was born to Durant and Ruth Pace in Trainer Pa, where she attended Trainer elementary school.

Patricia later moved to Ridley Township where she attended Woodlyn elementary, Ridley Junior High and Ridley High School.

Patricia was an accomplished humorist, who spent her time complimenting others, and telling jokes between many trips to thrift stores and Tom Jones restaurant. She was a talented artist who has gifted many families, friends and even strangers with her French Knot creations. Many of her works of art can be seen hanging on walls in numerous houses. Although not a talented singer like her sister and late brother, Pat was known to belt out a tune or two, especially when her daughter and best friend Donna made her listen to Anthrax (Heavy Metal Music) on the way to Myrtle Beach.

Patricia is survived by her daughter Dawn Matsanka (Kevin) of West Chester. 3 grandchildren, Brianna Stevenson of West Chester, Sammy Stevenson of Coatesville and Elizabeth Matsanka of Lancaster. A great grand-daughter Lillianna Rae. Also, her sister Doralee Paulley of Coatesville, her nieces Charlene & Lauren Sadler, nephews Kenneth Pace (Nadia) & their 4 beautiful children, Raymond Pace, and Danny Sadler. Along with many wonderful cousins from the Bell and Pace family. Patricia had many friends that she made during her years here, more recent were the loving souls at her apartment complex in Woodlyn.

Following Patricia's wishes she has donated her remains to Humanity Gifts Registry in hopes that a good-looking Doctor will find a cure for cancer or a dirty mind.

Donations can be made in Patricia's memory to:

Crozer-Keystone Home Health & Hospice Services, 200 W Sproul Rd, Springfield, PA 19064

The family requests that in Pats memory, we take the time to be kind to one another, give a compliment or a smile to a stranger and never stop laughing.

Family will be having a private memorial due to the pandemic.

“ Love you mother. Although you will be missed here, I know you're happy and free back with Father.
